Republic Day

Date-26/1/2023

Republic day is the day, when India marks and celebrates the date on which Constitution of India came into effect on 26 January 1950. Republic Day, in India, national holiday celebrated annually to commemorate the adoption of the constitution of India on January 26, 1950.

'Freedom in the mind, Strength in the words, Pureness in our blood, Pride in our souls, Zeal in our hearts, Let's salute our India on Republic Day' is a slogan for this important day.

It differs from Independence Day, which annually commemorates the end of British rule on August 15, 1947, and which stemmed from the Indian Independence Act of July 18, 1947.

Republic Day celebrates solidarity and encourages everyone to spread peace throughout the country.

74th Republic Day of India was celebrated in our parent institute SKP Campus on 26th January 2023. Chief guest Retd. ACP Shri. Dayanand Dhome hoisted national flag. He delivered an inspirational speech on this occasion.
